gps2find.com

Plant hire

other assets

When attached to anything it:

- * shows its location - any time, anywhere, 24/7
 - * zone alerts - if it enters or leaves a place
 - * motion alerts - if it's moved when "armed"
 - * SoS alerts - when used by Lone Workers
- by either text (SMS) or e-mail.**

GPS2Find provides:

- > high value unit prices, and running costs;
- > PayAsYouGo bundles or subscriptions;
- > on-site installation service;
- > free online training and Newsletter;
- > free iOS/iPhone, Android and HTML apps;
- > range of user interfaces for any device;
- > long term customer service approach.

User interfaces (6 available)

Tracking Panel (Silverlight - Windows /Mac)

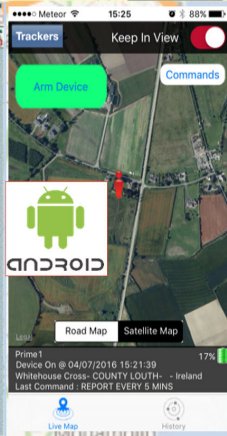

Tracking Panel - Mobile (HTML)

Android App

iPhone App

On-site installation service available.

PayAsYouGo Credits: (incl. vat)

Position credits - for position reports; **SMS credits** - for alerts & settings.
Each type is available from our on-line shop as Subscriptions or Bundles.
e.g. for plant use: 12 months subscription costs **€95**
or 10,000 Positions & 50 SMS credits costs **€68** - lasts 9-15months typically.
SIM roams free in most of the developed world.
7 User interfaces free for any internet device, some in 7 languages.
Comes with some free PAYG credits and works "out of the box".
Works with any, but we recommend the **Firefox browser**.
